

# Swiss Cottage 2024 Sec 1 Meet-the-Parents

**HONOUR AND HUMILITY**

We nurture students to become reflective thinkers and caring citizens who lead to serve the nation and the world

# MTP AGENDA

- 1. Principal's Address – Mdm Cheng Mun Yi, Mandy**
- 2. PDLP Progressive Roll Out– Mr Terence Wong/Mr Christopher Lim**
- 3. Parents Support Group (PSG) - Mdm Allyson Liu & Fei Yue Community Services Counsellor**
- 4. Q&A**

# Hello parents!

## Welcome to our Home of Thoughtful Leaders

We nurture students to become **Reflective Thinkers** and **Caring Citizens**  
who **Lead to Serve** the Nation and the World.

# Our People

We nurture students to become **Reflective Thinkers** and **Caring Citizens**  
who **Lead to Serve** the Nation and the World.

Thoughtful Leaders

Honour, Lead with Humility

# Swiss School Leaders

**Mdm Cheng Mun Yi, Mandy  
Principal**

**Ms Wong Wee Ling  
Vice-Principal**

**Mr Tan Boon Piang  
Vice-Principal**

# Student Development Team

Mdm Chok  
HOD/CCE

Ms Annie Tan  
S1 Year Head

Mr Alex Chew  
Discipline Master

Ms Phang Jiawen  
School Counsellor

Ms Sharlene  
Special Needs Officer

Mr Low Jeng Wye  
Education & Career  
Guidance Counsellor

# What is the Future of Work and What Are the Implications for Learning?

We nurture students to become **Reflective Thinkers** and **Caring Citizens**  
who **Lead to Serve** the Nation and the World.

## Living with change, complexity and uncertainty

- Jobs that exist today were not even listed 10 years ago
- Learn, do, retire (model of the past)
- How to futureproof our next gen?
- Many parents think that this means teaching our child how to programme/code → Right or Wrong?

## How to Futureproof?

- Instead of learn, do, retire
- Now we learn, do, learn, do – repeat!
- **Future-driven competencies** – adaptive and inventive thinking, good communication skills, civic literacy, socio-emotional competencies.
- **Character + values** – core principles that guide them in decision making and through challenges.

# The 3 Beyonds

- **Beyond learning for tests, to learning dispositions for life**
  - the ability to persevere in learning, unlearning, relearning
- **Beyond outcomes of personal achievement, to who we are and can be**
  - value personal growth and contributions to others
- **Beyond making a good living, to living the good life**
  - finding meaning and purpose in life

# How Will The Swiss Curriculum Prepare Your Child For The Future?

We nurture students to become **Reflective Thinkers** and **Caring Citizens** who **Lead to Serve** the Nation and the World.

Thoughtful Leaders  
Honour, Lead with Humility

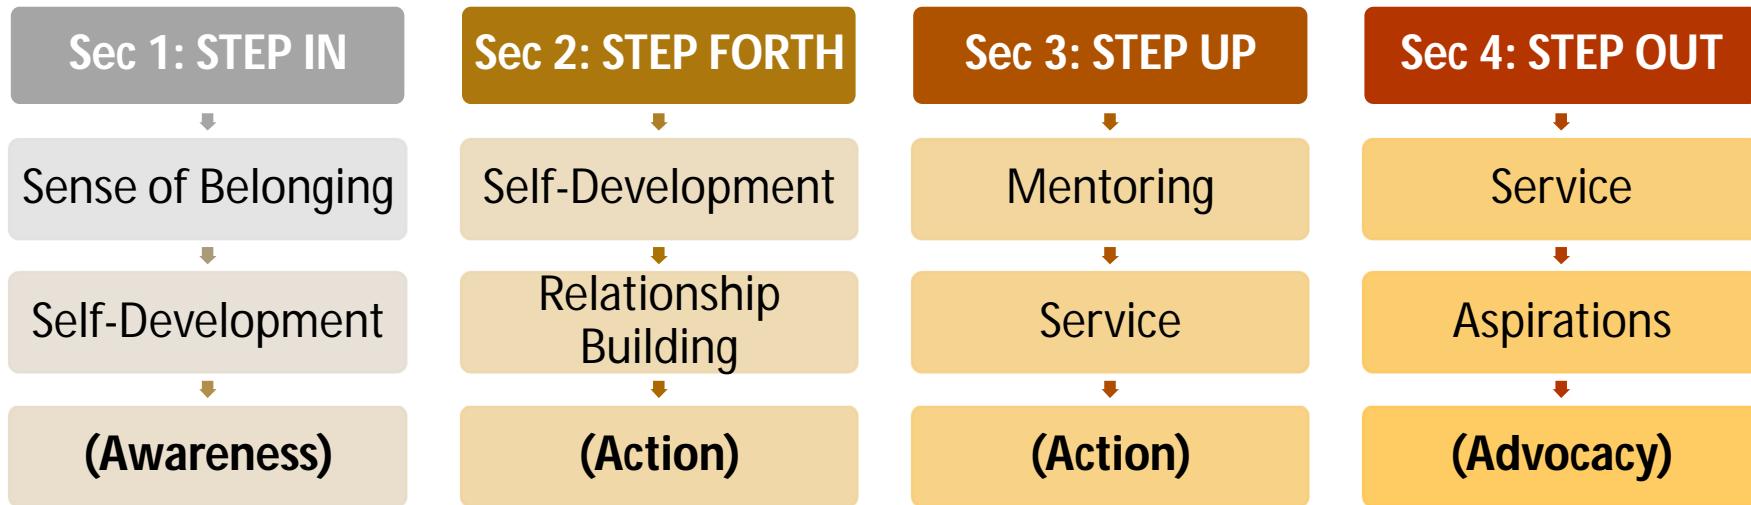

# Our Student Outcomes

- Imbued with the values of Honour & Humility
- For them to be reflective thinkers and caring citizens who lead to serve the Nation and the world.
- To develop them into future-ready thoughtful leaders with a heart to care and serve.

# TIERED DEVELOPMENT OF THOUGHTFUL LEADERS

Every level programme is designed to develop learning dispositions that nurture (through choice and agency) the confidence and readiness to lead and advocate positive change in the environment.

# Intellectual, Character & Leadership Excellence

Secondary 1

Secondary 2

Thoughtful Leadership Programme  
Overseas Horizons Trips  
Student-Initiated Learning and Self-Directed Learning

**Home of Thoughtful Leaders**

Serve with Honour, Lead with Humility

# Academic Learning Under Full Subject Based Banding

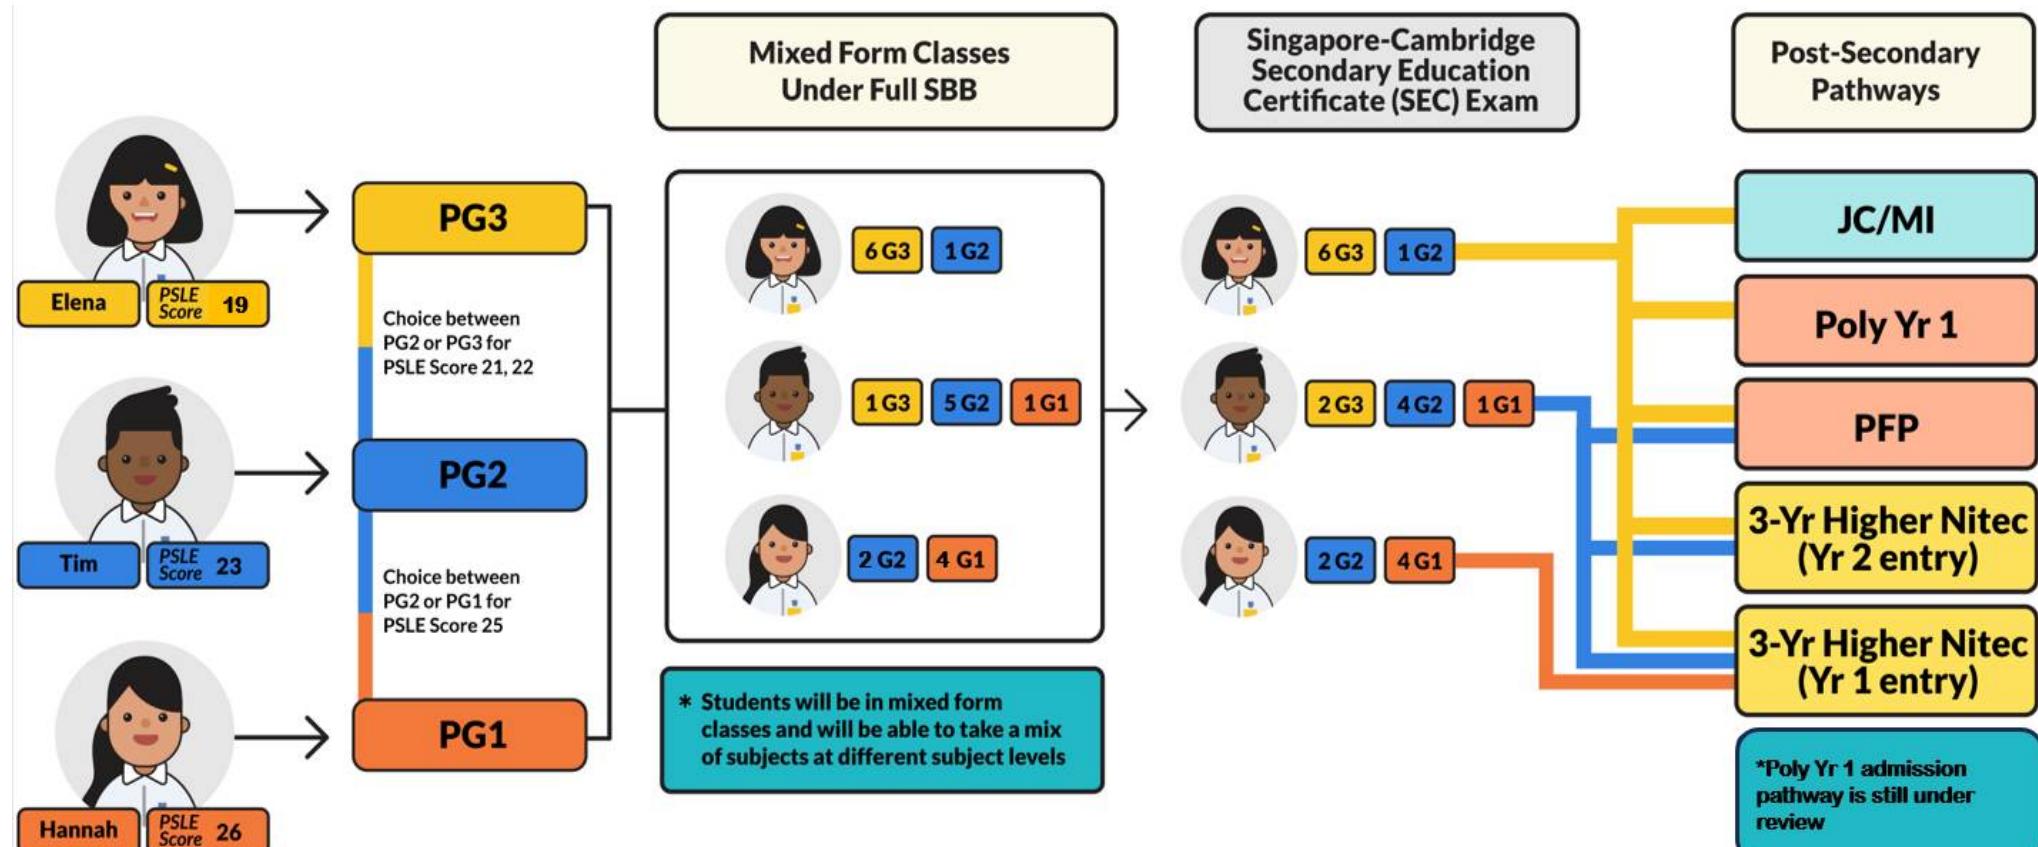

- At the start, students generally take the subjects aligned to their posting group with some taking certain subjects at different levels.
- Subsequently, students will be given the option to take subjects at More Demanding Level (MDL) at the following milestones if they achieve 75% or above for the subject.

Sec 1 Mid-Year	Sec 1 End-of-Year	Sec 2 End-of-Year (for S3 subject combination)
Only English, Math, Science, Mother Tongue	All subjects	All subjects*

\* Subject to availability of school's resources

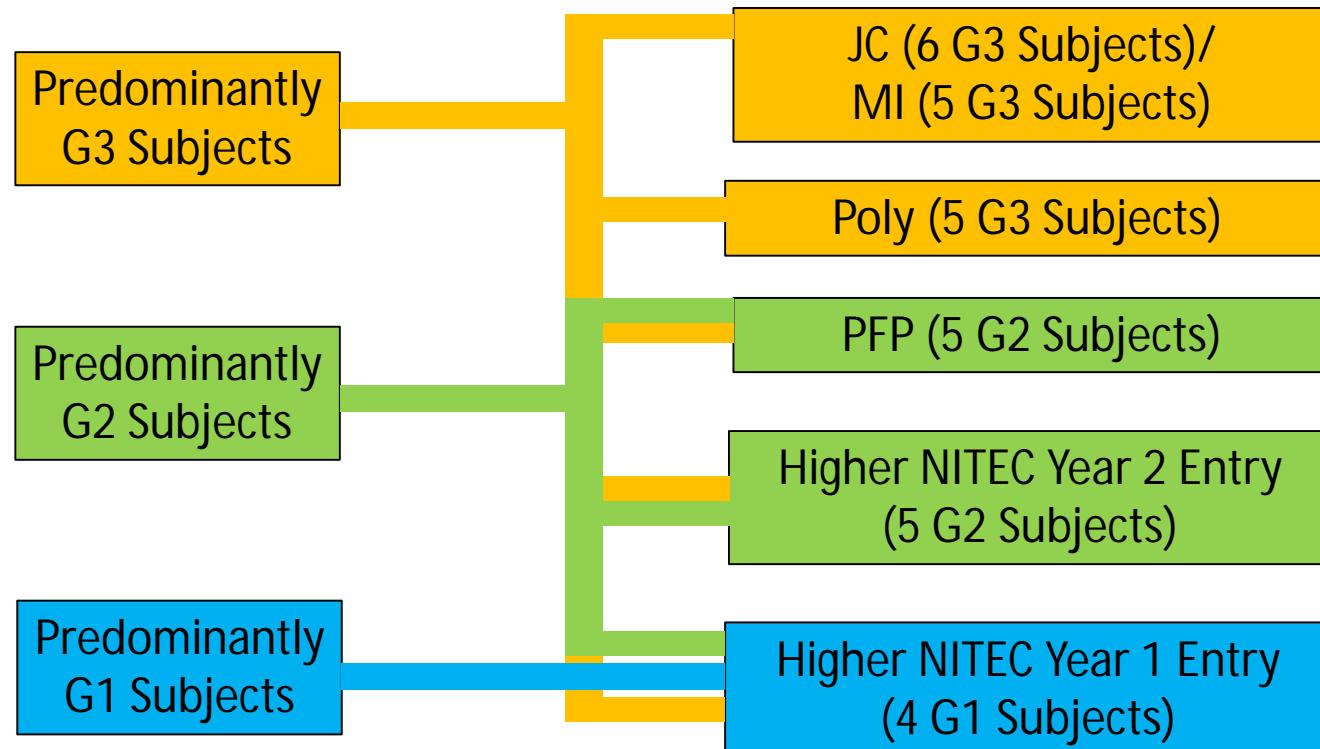

# Come 2024, what could students' secondary school experience look like with Full Subject-Based Banding?

# Post-secondary Pathways (minimum subjects)

# 5<sup>th</sup> Year Option

- The option of a fifth year in secondary school will continue to be available for eligible students, after they have sat for the SEC examinations at the end of Secondary 4, to pace their learning and take subjects at a more demanding level to access more post-secondary pathways.

# Transition to S1: Stepping IN

*I encourage you to watch my welcome video on the school website if you haven't done so. More school and Full Subject Based Banding (FSBB) information are contained within.*

We nurture students to become **Reflective Thinkers** and **Caring Citizens** who **Lead to Serve** the Nation and the World.

# We Believe in Providing a Holistic Learning Experience Starting from Sec 1

## Personalised Digital Learning Programme (PDLP)

We nurture students to become **Reflective Thinkers** and **Caring Citizens**  
who **Lead to Serve** the Nation and the World.

# Why and What is the PDLP?

We need to prepare our children for a future driven by technological innovations.

PDLP aims to:

**Enhance Teaching and Learning**

**Support Self-Directed and Collaborative learning**

**Develop Digital Literacy**

# PDLP – Specifications

- Apple iPad Gen 9 64 Gb, WiFi, Apple Pencil (1<sup>st</sup> Gen) and LogiTech rugged combo 3 casing with keyboard
- No perfect device – we choose the most suitable at the right price point
- Need a common device
  - Security and ease of device management
  - Customised learning experience
- Pre-installed apps include Google Workspace for education, Microsoft 365 Education, Zoom, GoodNotes 6, Canva, Padlet, etc.
- Google classroom as key platform for teaching & learning.

# S1 PDLP Progressive Roll-Out @ Swiss

- According to health studies and research, **sedentary screen time (for children > 2 years to adolescents) should be limited to no more than 2 hours per day.**
- Sedentary screen time refers to the use of any screen device whilst sitting, reclining or lying down.
- Increased sedentary screen time is associated with decreased psychosocial health, cognitive development, motor skills, social skills, physical activity and sleep outcomes.

# S1 PDLP Progressive Roll-Out @ Swiss

- Therefore, in Swiss, we plan to help Sec 1s transit to e-learning progressively so as to help our students develop the right learning dispositions and habits, supported by the school and reinforced by the home environment.
- Focus on balanced, intentional and good cyber-use habits.
- **S1 PDLP – device management application (DMA) & progressive roll-out plan** (more details will be provided by the ICT team)

# School Rules & Guidelines

- School handbook (refer to school website)
- Security@Swiss
  - All classrooms equipped with individual lockers (the school reserves the rights to inspect any lockers)
  - All students will be issued with locks
  - All classrooms equipped with CCTV
  - All iPads will be installed with Device Management App (Mobile Guardian)
- Mobile phone policy
  - Allowed to bring to school / limited to use before start and after curriculum hours
  - Violation may result in confiscation of up to 3 days

2024 Sec 1 MTP

# Parents, you are our partners in education!

◦ Honour and Humility ◦

*We Nurture Students To Become Reflective Thinkers and Caring Citizens who Lead to Serve the Nation and the World*

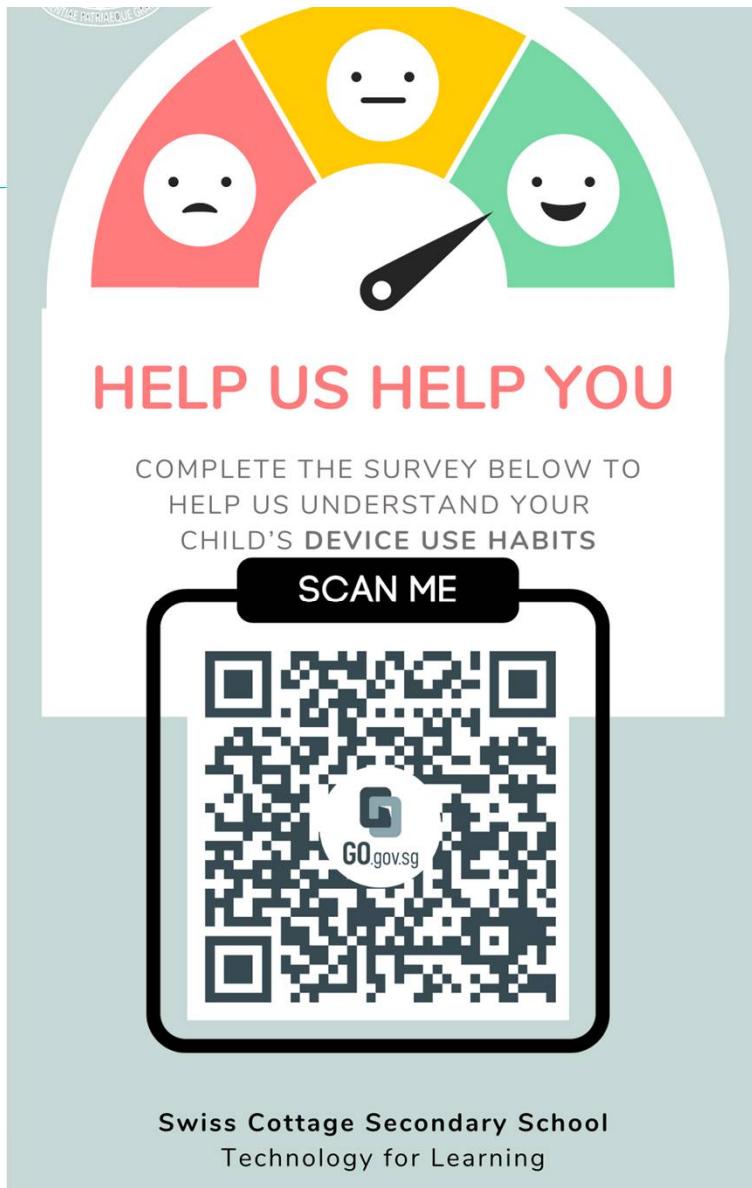

# Thank you!

We nurture students to become **Reflective Thinkers** and **Caring Citizens**  
who **Lead to Serve** the Nation and the World.

# We want to partner you !

**Scan the QR Code to complete the survey.**

**The code will be shown again at the end of the session.**

**Learning with a Personal Learning  
Device (PLD)**

**@ Swiss Cottage Secondary School**

## How will your child/ward use the PLD?

At **Swiss Cottage Secondary School**, your child/ward will be using the PLDs for:

- Apps to support learning activities during lessons and outside the classroom
- Digital and online assignments (SLS, Google Classroom, etc)
- Executive functioning and productivity device, be it academic, CCA, VIA, etc
- Digital repository of learning resources (e-Filing of notes, assignments, etc)
- Note-taking/building using Good Notes 6
- Self-directed Learning (SdL)
- Collaborative work/projects with peers
- Cyber wellness education
- Digital literacy education
- Home-Based Learning (HBL)
- and so on

# **Supporting Students in the Safe and Effective Use of the Devices**

## **Supporting Students in the Safe and Effective Use of the Devices**

Amidst cyber wellness concerns such as harmful online content, distraction from learning and excessive screen time, the school has measures in place to enable a safer digital environment for learning with the use of PLDs, e.g.

- Educating students on Cyber Wellness
- Classroom management and routines
- **Device Management Application (DMA)**
- Partnering parents/guardians to ensure that students are well-supported in their use of technology for learning

## Parents'/Guardians' Role

- We would like to partner parents/guardians to ensure that students are well supported in their use of technology for learning.
- **As parents/guardians, you can help in the following ways:**
  - Model good digital habits for your child/ward
  - Know your child/ward well, and have conversations with your child/ward about safe and responsible use of technology
  - Set ground rules for internet/device usage
  - Guide your child/ward to use productivity tools using his/her PLD, to organise information and simplify tasks for efficiency

# **Role of the DMA in Providing a Safer Digital Environment for Learning**

## Device Management Application Installation

- Your child's/ward's PLD will be installed with a Device Management Application (DMA) to provide a safer digital environment for learning.
- This applies to both devices purchased through the school and pre-existing student-owned devices.
- The DMA will be **funded by MOE** and will be **uninstalled** from the device **when your child/ward graduates/leaves the school**.

# How does the **DMA** work?

The DMA has three components.

Mobile Device  
Management Service

Classroom  
Management Service

Usage Management  
Service

# What does each **component** do?

The DMA for Apple iPads is known as the Mobile Guardian (MG).

## Mobile Device Management Service

Protects your PLD from viruses and allows the installation/updating of relevant apps for learning

## Classroom Management Service

Helps your teacher manage devices during lessons, and to easily share relevant apps, websites and lesson materials

## Usage Management Service

Protects you from harmful online content, and sets helpful limits e.g. sleep hours on the use of the PLD

# After-School DMA Options

## In-School DMA Settings (Default)

Schools will determine DMA settings for **in-school use**. As a default, these settings will continue to be in place after school as well:

- MOE and the school will set the level of web content filtering, including filtering out objectionable content or content that may not be conducive to teaching and learning (e.g. social media, pornography, gambling, or websites containing extremist content)
- The school will determine the apps and programs to be installed to support teaching and learning
- Students will be able to use the device from 8 am to 3.30 pm daily in Semester 1.

# Providing Parents/Guardians with Greater Choice of After-School DMA Parent Options

The following tables outline the different levels of restrictions, controls, and monitoring for the different DMA options after school hours.

Default	Option A	Option B
<b>In-school DMA settings will continue after school hours</b>	<b>Parents/Guardians can modify the DMA settings after school hours</b>	<b>Parents/Guardians can choose to disable DMA after school hours</b>
For parents/guardians who want their child's/ward's use of the device to be restricted only to teaching and learning, and prefer to leave it to the school to decide on DMA settings after school hours.	For parents/guardians who want more leeway over the use of the device, and prefer to take charge of the level of restrictions for their child's/ward's use of the device after school hours.	For parents/guardians who do not want their child's/ward's use of the device to be regulated by DMA after school.

- Having default school settings continue after school hours is the best option for parents/guardians who prefer not to, or do not feel ready to manage their child's/ward's device use on their own.
- Parents/guardians can request to change their choice of DMA settings at any time.

## Providing Parents/Guardians with Greater Choice of After-School DMA Parent Options

	Default	Option A	Option B
<b>Protecting students from objectionable content</b>	MOE/school sets level of web content filtering	Parents/Guardians can apply additional content filtering	No content filtering
<b>Reduce distractions from learning through control of applications</b>	Parents/Guardians and students are <u>unable</u> to install additional applications	Parents/Guardians and/or students can install additional applications after school hours, but these applications are disabled during school hours	
<b>Limit screen time</b>	School sets hours during which students are able to use the device online	Parents/Guardians can modify the amount of screen time	No control over screen time

## Providing Parents/Guardians with Greater Choice of After-School DMA Parent Options

	Default	Option A	Option B
<b>Parent/guardian account</b>	Provided to allow monitoring of PLD activities after school hours		Not provided
<b>Monitor students' cyber activities</b>	Parents/Guardians can track their child's/ward's browser history after school hours		Parents/Guardians will <u>not</u> be able to monitor or control their child's/ward's use of the device through the DMA after school hours  No data* will be collected during use of PLD after school hours

## **Additional Option B Features**

- Allows sign-in to personal Apple ID to backup documents and media to personal iCloud account
- Apple's Screen Time functionality can be activated for use
- VPN Configuration is enabled under Settings > General
- Auto-Lock is enabled under Settings > Display & Brightness

## Signing up for After-School DMA Options

Parent Gateway message with regard to signing up will be sent at the end of Term 2.

- Sign-up form
- Instructions to signing up
- Details of the controls available for each option
- Sign-up deadline

**Visit the PDLP@Swiss Cottage page at the school website for more information and resources for parents!**

*Have a conversation with your child/ward to talk about which setting is best for your child's/ward's learning.*

you in our students' digital literacy journey!**

# **PDLP**

How do we achieve the desired outcome  
of Self-directed Learners who use  
their devices to learn  
**Anytime and Anywhere?**

**LEARN**

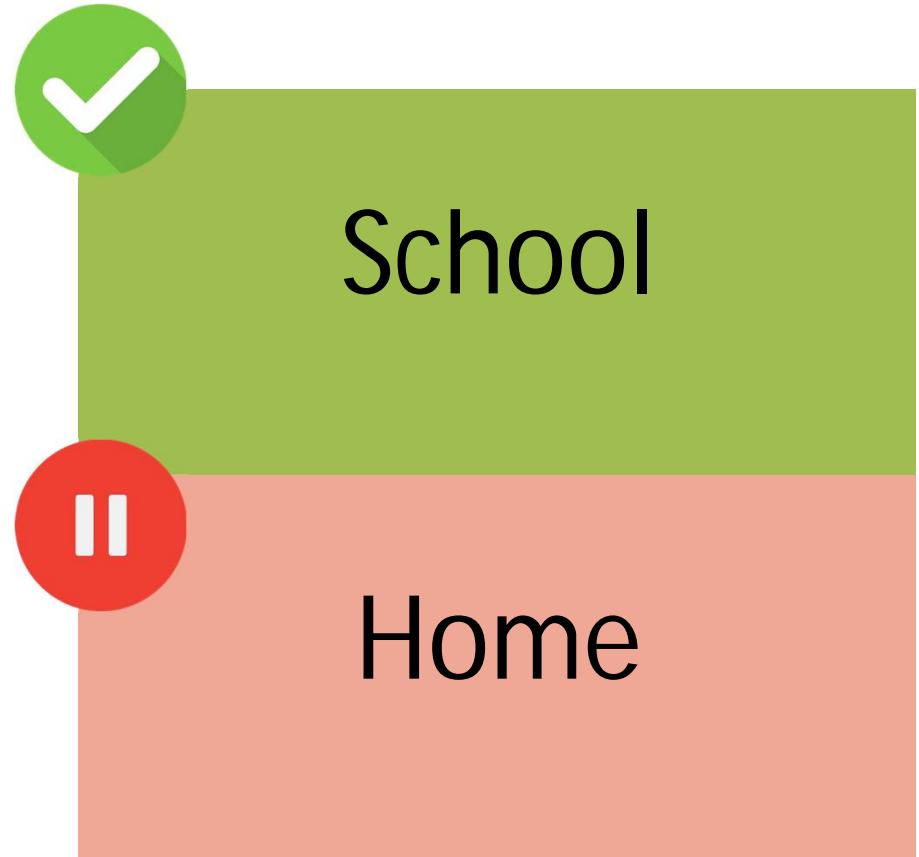

**ANYTIME**

**ANYWHERE**

# PDLP

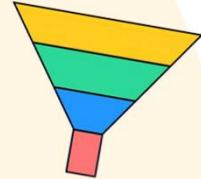

How to we achieve the desired outcome of  
Self-directed Learners who use their devices  
to learn

**Anytime and Anywhere?**

# Key OBJECTIVES

Build Habits in School first before allowing students to use their devices at home.

- 01** **Progressive Rollout**  
Devices given to students with some timing restrictions
- 02** **Identify Students' Needs**  
Teachers attentive to students' needs for specific intervention.
- 03** **Partnership with Parents**  
Parents involvement from Day 1 to build habits at home.

# B.I.G. FRAMEWORK

## Balance

Students should demonstrate the ability to balance time spent on their devices and other needs and responsibilities in life.

## Intentional

Students should engage with technology purposefully with clear intentions and objectives for using the device.

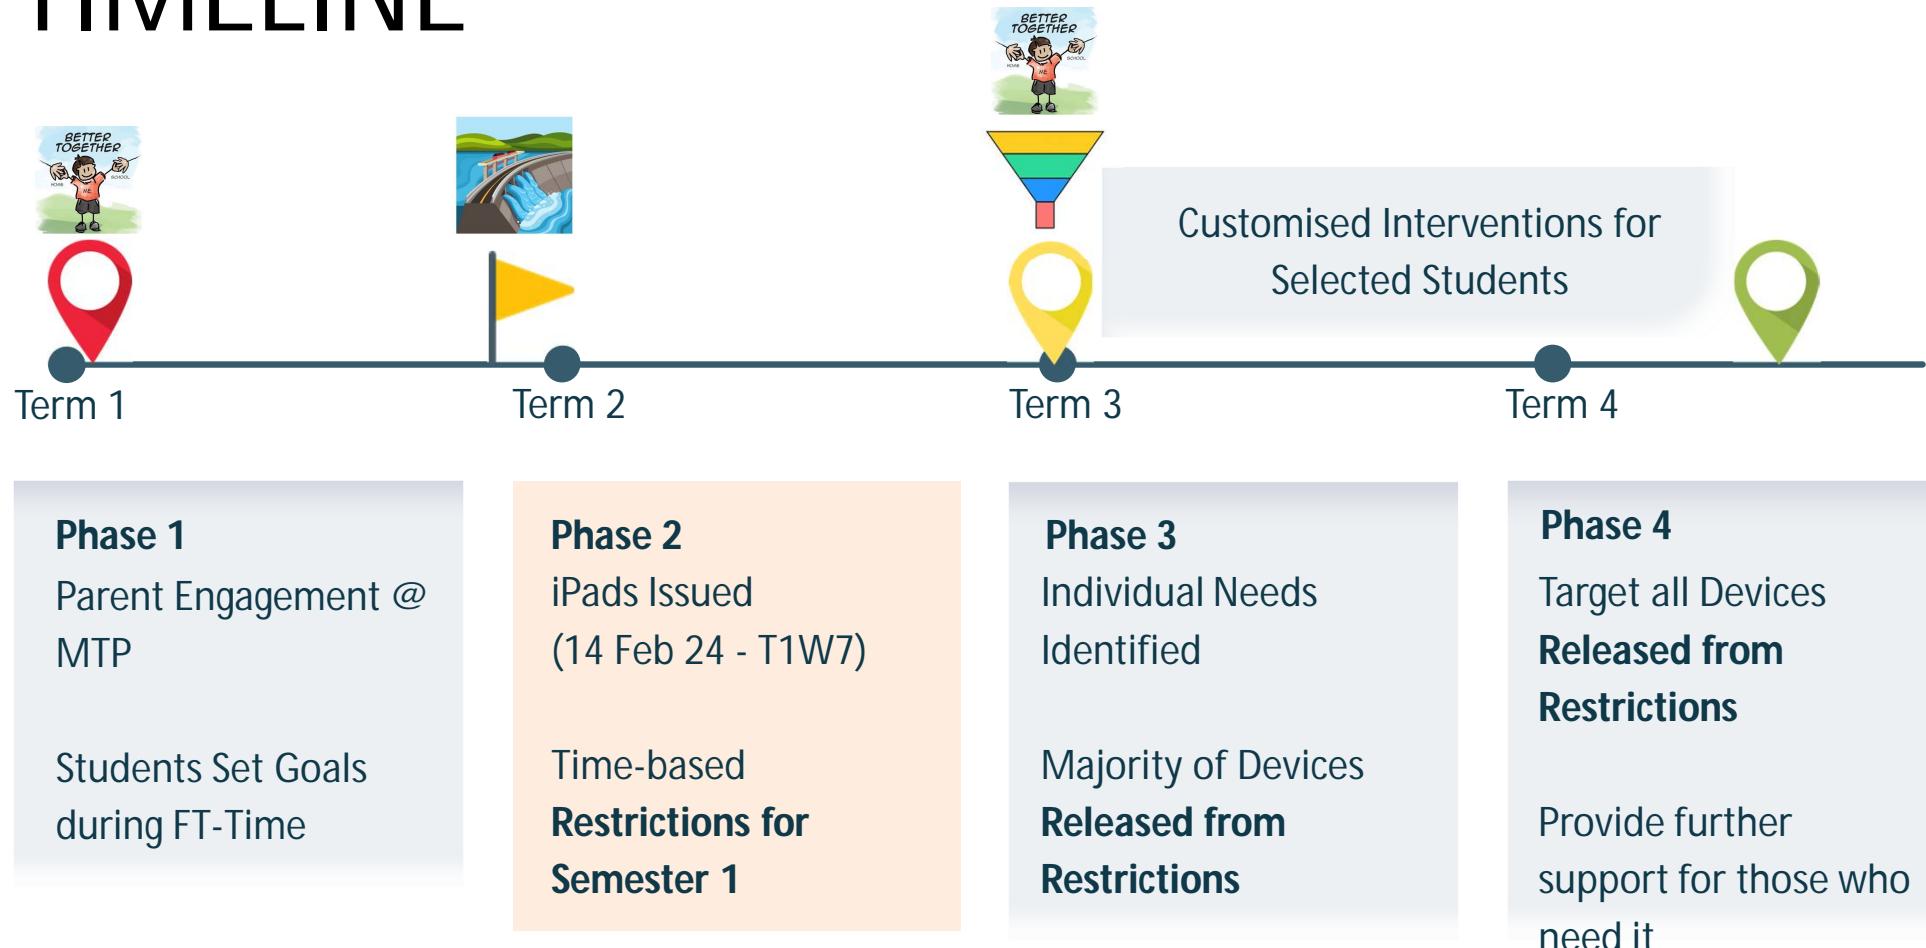

HOW DO I GUIDE MY STUDENTS TO DEVELOP GOOD CYBER USE HABITS?

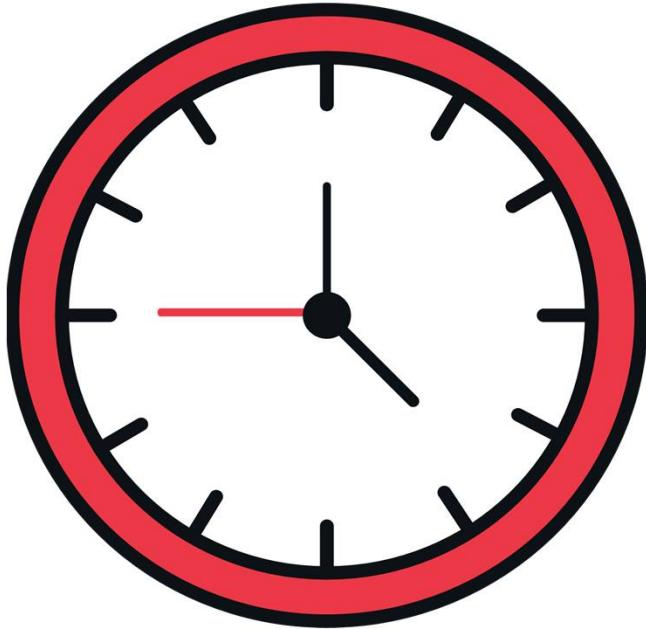

## Good

Students should use technology for the purpose of betterment of self or others.

# TIMELINE

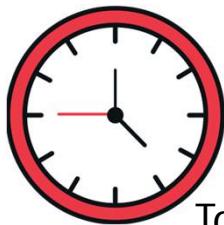

## Time Restrictions

- Devices available during curriculum time up to 3:30pm.
- Not accessible after school, over the weekends and during holidays (PH and SH included)
- Available on **Home-based Learning** Days from 8am to 3:30pm

# BENEFITS

## More Time

To build TSR, promote habits and develop executive functioning skills

## Classroom Learning

Devices available during curriculum time for collaborative group work and formative assessment.

## Handwriting

Develop pre-digital skills such as penmanship, note-taking skills and promote mental processing.

## Customised Help

Allow for customised help to be given for students who may need it.

# GIVING SUPPORT AT HOME

Preparing students to learn at home with their devices in Phase 3

**ROLE-MODEL**  
**REGULATE**  
be **REALISTIC**

Summarised from: <https://www.healthhub.sg/live-healthy/help-your-child-untangle-from-the-web>

# ROLE-MODEL

Our children observe what we do and rely on us to set an example.

Steps you can take at home:

1

Designate certain activities or times of day where devices should not be used (e.g. while having meals, waiting for food)

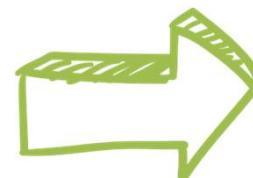

Engage them in conversation and help develop conversational skills.

2

Reduce time spent on devices for entertainment and leisure.

Replace with physical activities or family outings.

# REGULATE

Our children need help to set limits and to regulate their impulses.

1

## Set limits on device usage.

(Recommended 2hrs of sedentary screen time per day)

E.g.

- Time limits for entertainment
- Putting away device after a task is completed

## 2 Create systems and routines to help avoid temptation.

E.g.

- Charging devices in the living room at night.
- Setting devices aside during meals or study times (especially home-based learning).

# be REALISTIC

Development of Habits takes time and needs to be progressive.

## 1 Set Progressive Goals

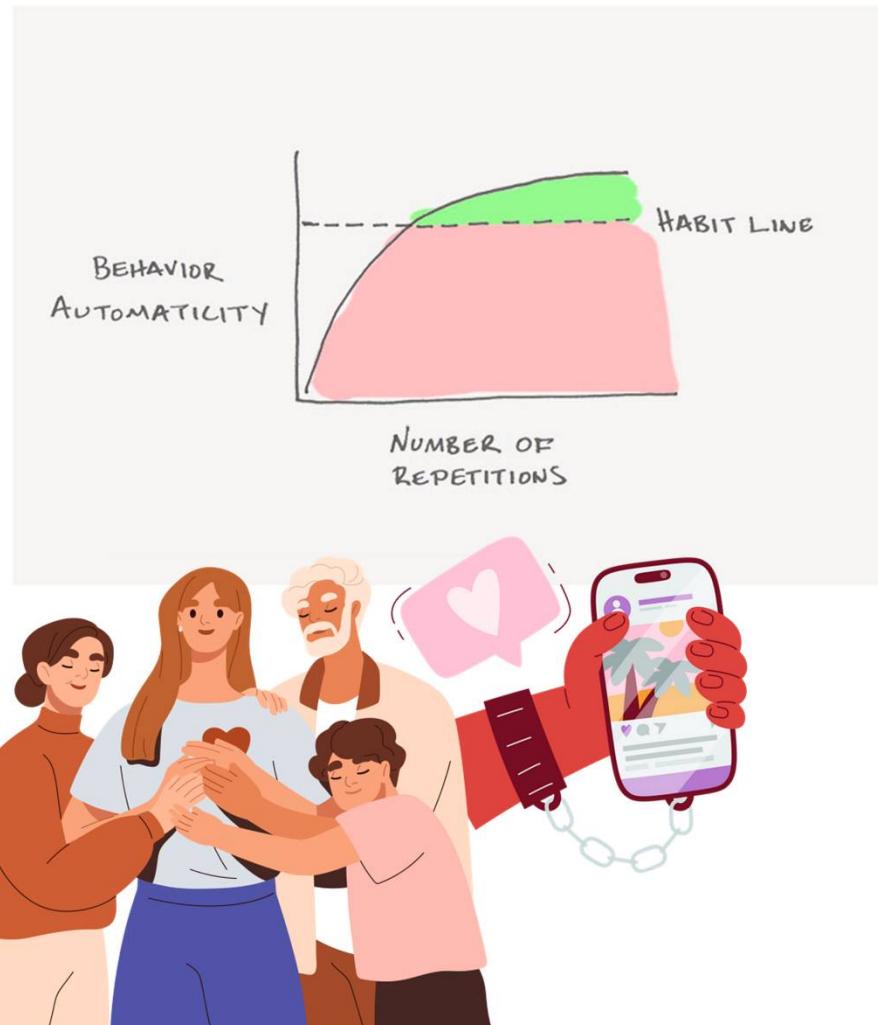

e.g.

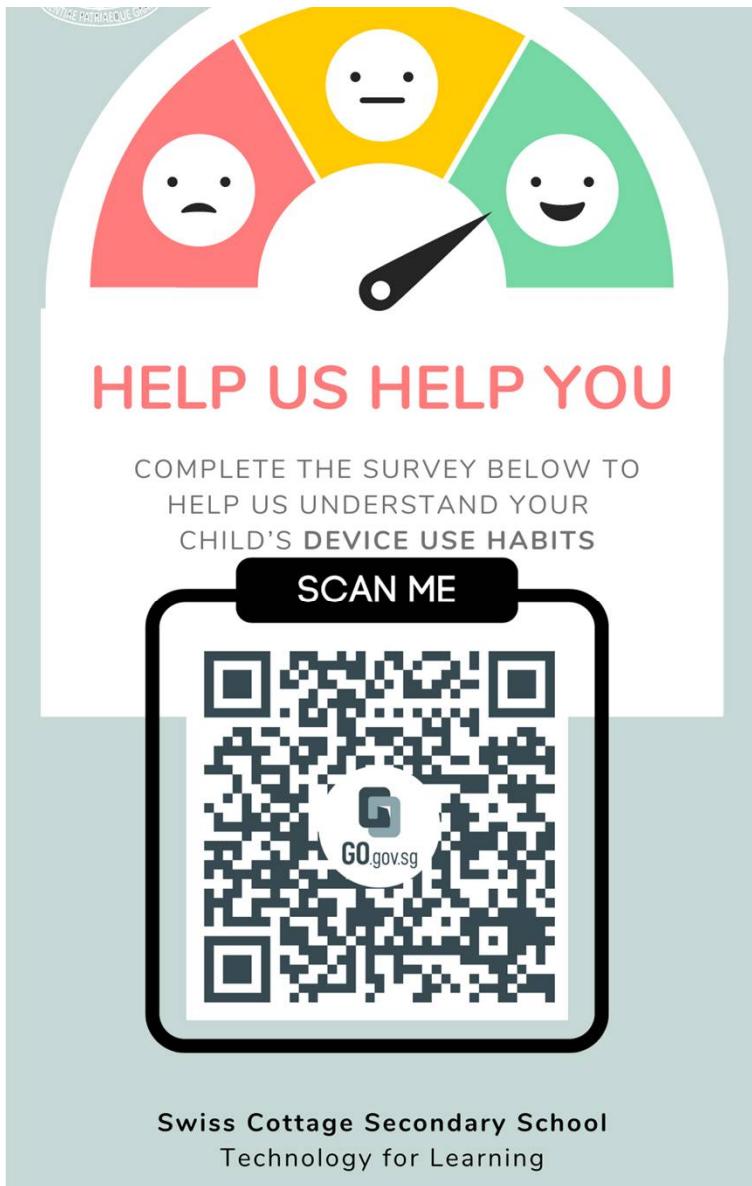

- Reduce screen time by minutes each day working up to longer periods.
- Put devices away once a week, to twice a week up to it becomes daily habit

## 2 Consistent Reinforcement

Most intervention efforts only work if enforced consistently.

Work collaboratively with family members and care-givers to echo a common message.

# We want to partner you !

# Journey with Them

# **RESOURCING Families to STRENGTHEN Relationships**

## **1. PARENTING PROGRAMMES**

- Parents with children/teen aged 0-16 years or is currently enrolled at a local school

## **2. GRANDPARENTING PROGRAMMES**

- Triple P Content tailored for Grandparents who are taking care of grandchildren aged between 0-8 yrs old.

## **3. MARRIAGE ENRICHMENT PROGRAMMES**

- Married for > 2yrs: Prepare and Enrich Marriage Enrichment Programme
- Soon-to-wed couples : Prevention & Relationship Enhancement Programme

## TRIPLE P

### Positive Parenting Program

- The Positive Parenting Programme is an internationally recognised evidence-based programme.
- It aims to give parents the skills they need to build strong family relationships, prevent behavioural and emotional problems.

Sessions are delivered via:

- Seminars
- One to One Consultations
- Groupwork

## TRIPLE P PARENTING SEMINARS

- The Seminar is a total of 3 sessions. Each session is 1.5hrs - 2hrs including Q&A.
- Currently conducted via Zoom Online.
- Runs throughout the year. Programme dates and registration will be posted in Parents Gateway.

SESSION	TOPIC	DATE	DAY/TIME
1	<b>Raising Responsible Teens</b> Help teens develop a sense of belonging, and be engaged at school and at home.	24 February 2024	Saturday, 10.00am - 12.30pm
	<b>Raising Competent Teens</b> Supporting your teen to build their confidence and self-esteem		
2	<b>Getting Teenagers Connected</b> Encouraging teens to connect meaningfully at home, school, and the community	2 March 2024	Saturday, 10.00am - 12.00pm

\*For Parents who reside or have teenagers schooling in Bukit Batok, Bukit Panjang & Choa Chu Kang areas.

Sign up at: <http://go.gov.sg/FeiYueSec>

Registration period: 20 Nov 2023 to 19 Feb 2024

# TRIPLE P PARENTING ONE-TO-ONE CONSULTATION

- Individual consultation conducted over 4 sessions, over 4-6 weeks period.
- Each session lasts for 1hr.
- Help parents manage 1 or 2 specific behavioral issues that are of current concern.

# TRIPLE P PARENTING GROUPWORK

- Conducted in small group sessions over 5 sessions, followed by 3 phone consultations.
- Each group session lasts for 2hrs.
- For motivated parents of children with behavioral difficulties and are interested in gaining a more in-depth understanding of Positive Parenting.

# Triple P Groupwork

(For parents with children aged 13-16 who reside or have children schooling in Bukit Batok, Bukit Panjang & Choa Chu Kang areas)

The Triple P Positive Parenting Programme Level 4 (Teens) is a group work suitable for parents who want to prevent behavioural and emotional issues in teens. The program teaches 17 core positive parenting skills that can be adapted to various parenting situations to promote teens' **psychological, social, and emotional competence**.

## 5 Group Sessions

24 February, 2, 9, 16 &  
30 March 2024 (Saturday)

9.30am - 11.30am

421 CCK Ave 4 or ZOOM

FREE

"After the course, I am able to better communicate with my daughters. They are willing to openly share about what happened at school without prompting."

Parent from Regent Secondary School

"I learned more effective approach in bonding with my children."

Parent from Bukit View Secondary School
